**IMPORTANT!** Check with the university to which you are applying for testing requirements. Many universities require that these tests be completed by the December test date of senior year – but deadlines for some campuses may be earlier!

Most 4-year colleges and universities require official test scores from either the SAT or ACT as part of the admission process.

Check with each campus for admissions requirements and deadlines. It is the responsibility of the student to know these deadlines and admissions requirements. **START EARLY!**
